

DEAR SIR OR MA'AM, I AM A SUBSCRIBER OF XM RADIO
AND I AM DEEPLY CONCERNED ABOUT THE NAB'S PETITION TO END SATELLITE RADIO
SERVICES. AS A SOLDIER WHO TRAVELS BY CAR TO VISIT HOME, I DEPEND ON XM RADIO'S
WEATHER AND TRAFFIC STATIONS. XM HAS COMPETITION FROM SIRIUS SATELLITE RADIO.
IF ANY OTHER BROADCASTER ARGUES THERE IS NOT ENOUGH COMPETITION, SHOULDN'T THEY
IMPROVE THEIR SERVICES AND BECOME A MORE DEPENDABLE, INFORMATIVE, AND
ENTERTAINING SOURCE?

THANK YOU FOR YOUR TIME AND CONSIDERATION.

JESSICA D BERRY
